Instructions:

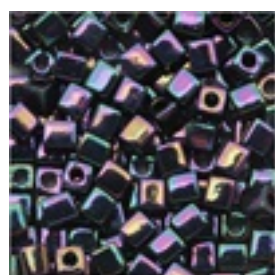

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Take the head pin and thread it through the hole at the bottom of the Katiedids canal.
2. Thread on the beads: orange, green, white, yellow; then yellow, white, green, orange.
3. Then thread the headpin through the other side of the Katiedids. Create a simple wire loop.
4. Attach the earring finding to your simple wire loop.

Variations

Experiment with all of our colors of Miyuki beads!

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
