Micro Pliers Chain Nose Flat Nose, [XTL-5032] Beadsmith Wire Looping Pliers - Concave And

Round Nose

Instructions

This instructions will give you one earring. Simply repeat the process to create your second earring.

1. Take your head pin and place on it, in this order: Beer Stein, yellow bicone, red bicone, black bicone, pretzel.

2. Make a simple wire loop at the top; but before you close the loop, attach it to the earring hook, the same way you would open and close a jump ring.
3. That's all!
