## Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Onto one head pin, add one SWAROVSKI ELEMENTS cube bead, then a Santa bead, feet down, on top of that.
2. Take your round nose pliers and make a simple wire loop on the head pin. Snip off any excess wire using your flush cutters.
3. Open the loop on the earring finding the same way you would a jump ring, and hang the simple wire loop from it. Close the loop.
