Project uses 2 pieces

Instructions:

1. Don't forget to double all of the instructions in order to make both earrings! Begin by cutting a piece of chain at five inches long.
2. Onto the chain thread seven of the silver plated square links.
3. Open an oval jump ring.
4. Thread the jump ring through both ends of the chain and also through the loop on the earring post.
5. Close the jump ring once more and add the earnut to the earring post. All done!
