Instructions:

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Use a scrap of wire or a toothpick to apply a dab of E6000 into the gold connector setting. Place the 14mm crystal antique pink square ring pendant into the setting. Set aside to let dry.
2. Onto one ball head pin, place one crystal antique pink 5mm bicone. Make a simple wire loop. Set aside.
3. Onto one eye pin, place one crystal antique pink 5mm bicone. Make a simple wire loop. Set aside.
4. Open the simple wire loop of the headpin with the bicone on it, the same way you would a jump ring, and attach it to one side of the square connector. Close the loop.
5. On the other side of the connector, attach the eye pin with the bicone on it in the same way as the headpin. Close the loop.
6. To the other side of the eye pin, attach the earring lever back finding.
