## Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Open one jump ring and attach it to the monkey charm. Close this jump ring.
2. To the jump ring you just added you will make a chain of seven more jump rings by opening and closing the jump rings. When you come to the last jump ring in the chain you will attach it to the loop of the leverback earring finding. Close the jump ring. Set this piece aside.
3. Open one jump ring and string on one green seed bead. Close the jump ring.
4. Open one jump ring and attach it to the jump ring you just put the seed bead on it, before closing the ring, string on one seed bead to each side of the jump ring. Close the jump ring. Repeat this step until you have a chain of seven jump rings total. Set this piece aside.
5. Repeat the two previous steps so that you have two jump ring chains with seed beads.
6. Attach the last jump ring of each chain with two seed beads on it, to the jump ring that is attached to the earring finding. One on each side of the chain

with the monkey on it. Close the jump rings.

7. All done!
