Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Take one eye pin and add one bicone. Make a simple wire loop. Snip excess wire. Repeat this process for two more bicones.
2. Take one eye pin with a bicone on it, and open the loop the same as you would a jump ring, and attach it to the shamrock charm. Close the loop.
3. To the other end of this piece and open the loop, attach it to another eye pin/bicone piece. Repeat once more to complete a strand of three bicones.
4. Finally, attach the last loop onto the earring finding and close the loop.
5. All done.
