Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Cut lengths of chain in the following sizes: 3/4 inch, 1 inch, 1 1/2 inch, and 1 3/4 inch. Set aside.
2. Take one headpin and string on one blue pearl. Make a wrapped wire loop. Snip any excess wire. Repeat this step for one green, yellow and pink pearl.
3. By opening one jump ring attach the pearls to one end of each chain in the following order: 3/4 inch: Pink; 1 inch: Green; 1 1/2 inch: Yellow; 1 3/4 inch: Blue.
4. Take one jump ring and string on the ends of the chains attached to the pearls in this order: green, yellow, blue and pink. Close the jump ring around the loop of the earring post.
5. Attach the back to the earring post.
6. All done!
