Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by stringing one 12mm heart crystal on to a head pin, with the bottom of the heart facing down. Make a simple wire loop.
2. Attach this simple wire loop by opening it, the same way you would a jump ring, to the pewter love knot ring so that it hangs on the inside of the ring. Close the loop.
3. String one 8mm heart crystal on to an eye pin. Make a simple wire loop.

4. Attach the bottom loop of this heart to the top side of the ring, to the same hole where you have attached the 12mm heart. Close the loop.
5. Open the loop above the 8mm heart and attach it to the earring finding. Close the loop.
6. All done!
