Instructions

No tools required! By following the instructions below you will make one earring, repeat all instructions to make the second earring.

1. Flip the stamping so it is face down on your work surface.
2. Place a dab of E6000 on to the earring post pad and place the pad onto the top back of the stamping, just below the handlebars of the bicycle.
3. Allow to dry for at least 24 hours.
4. Attach the butterfly earring back and they are ready to wear!
