Wire/Soft Flex

Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Take one headpin and string on beads in this order (with AB side facing down): one 14mm margarita bead, one 12mm margarita bead, one 10mm margarita bead, one 8mm margarita bead, and one 5mm bicone bead.

2. Make a wrapped wire loop.
3. Open the loop of the earring finding, same as you would a jump ring, and attach the tree to the earring hook. Close the loop.
