Jeweller's Micro Pliers Chain Nose Flat Nose, [XTL-5514] BeadSmith Jewelry Fine Round

Nose Micro Pliers

## Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by making a strip of ladder stitch, 20 beads wide. Follow the longest, center row of the bead pattern.
2. Working off one side of your ladder stitch, continue in brick stitch. Follow along with the attached pattern. Allow the brick stitch to do its natural decrease each row, not adding any increases. Continue until your last row, which has two beads.
3. When you get to the top, you will add the earring post. Make sure that the loop is all the way closed. Thread your needle through the loop and back down through the next bead, Repeat this loop again to secure the loop into place. Tie off and weave in your thread.
4. Flip your bead work over and add a new length of thread to the bottom and continue the pattern to complete the diamond shape. Tie off and weave in your thread.

## Loom Pattern
