4.75 Inches Long, 1 Piece, [PL5320] Tronex Tools, Short Round Nose Pliers with Standard Handle and Tip Protector 5 Inches Long, 1 Piece

Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Please watch our video: How to Wire Wrap a Druzy Bead. From what you learned in the video, cut a length of wire about 15-20 inches.
2. Begin the wire wrap as seen in the video, for these earrings I recommend you have four wraps that surround the bead. Finish with the wrapped wire loop at the top. Trim any excess wire.
3. Open the earring hook and slide the wire loop of the Druzy over the earring loop.
