Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Onto one head pin, string on 6 beads. Make a simple wire loop. Repeat this step and set aside.
2. Take another head pin and string on 8 beads. Make a simple wire loop. Repeat this step and set aside.
3. Take one last head pin and string on 10 beads. Make a simple wire loop. Set aside.
4. Next, take one head pin with 6 beads on it and open the loop, same as you would a jump ring, and attach it to the bottom of the triangle earring post.
5. Then add the remaining head pins in this order to create the graduated pattern: 8 beads, 10 beads, 8 beads, then 6 beads.

6. Make sure all the loops are closed and you're all done!
