### Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by opening one jump ring and attaching it to the charm and to one loop of the rivoli link. Close the jump ring.
2. Open the kidney wire and slip the link up and over the wire. Make sure the charm is facing the same way for both earrings. Please see photo for reference. Hook the earring closed and you are all done!
