Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by stringing on one scarab bead onto to one head pin and make a simple wire loop.
2. Open this loop, same as you would a jump ring, and attach it to one end of the deco window stamping.
3. Next, string one round bead onto one eye pin, make a simple wire loop facing perpendicular to the bottom loop. Open the bottom loop same as you would a jump ring and attach it to the top of the deco window stamping.

4. Open the loop of the earring hook and attach it to the top loop of the eye pin. Close the loop.
