Pliers - Works On 1, 2 And 3mm Crimps!

Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Please watch our video: How to Finish Zola Elements Tassels for Jewelry. In the course of the video you will learn how to finish the tassel and connect a jump ring to it. For this design, bring both cords through one gemstone before crimping and knotting.
2. After your tassel is ready, open one jump ring and attach the tassel to the loop of the earring post.
