

# Tortoise Shell Earrings

## Project E2247

*Kat Silvia*

This vintage style pair of earrings is lightweight but still makes a statement with these classic tortoise shell resin geometric pieces.

## Instructions

You will also need a scrap of wire or a toothpick for this project. By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. To see how to make these earrings please watch our video: [How to Make a Pair of Resin Tortoise Shell Earrings](#). In this video you will learn how to glue on the earring post and to attach the two tortoise shell components together with a jump ring to complete the earrings.
