Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by stringing one bicone onto one head pin. Make a wrapped wire loop. Set aside. Repeat five more times.
2. Open the wire loop same as you would a jump ring and attach it to one loop on the bottom of the chandelier frame. Close the loop. Repeat for the other four loops on the bottom. Then repeat to attach one to the jump ring in the center of the frame.
3. Open the loop of the earring post and attach it to the top loop of the chandelier frame. Close the loop and you're all done.
