Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Please watch our video: How to Wire Wrap a Briolette. Cut off a 12 inch length of wire. From what you learned, do a messy wire wrap on top of the sea glass pendant as seen in the second example in this video. Set aside.
2. Place one crystal stone into the setting and set the prongs as seen in our video, Quick Tip: How to Set a Swarovski Crystal Fancy Stone with a Popsicle Stick.
3. Open one jump ring and attach it to the loop of the pendant and to the loop at the bottom of the earring finding. Close the jump ring.
