Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Open one jump ring and attach it to one heart pendant.
2. Take one eye pin and string on one pearl. Make a simple wire loop.
3. Open one loop of the eye pin, same as you would a jump ring, and attach it to the jump ring on the heart pendant. Close the eye pin.
4. Move to the top loop of the eye pin and attach it to one earring hook. Close the loop and you're all done.
