Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. String one crystal bead onto one eye pin. Make a simple wire loop with the loop facing perpendicular to eye pin.
2. Open the loop on one eye pin, same as you would a jump ring and attach it to one rectangle pendant. Close the loop.
3. Open the opposite loop in the same manner and attach one earring hook. Close the loop.
