

Primary Lady Earrings

Project E2347

Kat Silvia

Bold primary colors come together and make a statement in this design featuring Swarovski crystals and pearls. By using the stone setter tool, you can quickly and easily set the rivoli stone into the prong setting from Gita Jewelry.

Sets Swarovski 12mm Rivoli, 12mm Cushion Stone

Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by placing the rivoli stone into the setting and use the smart setter tool to bend the prongs over the stone. Set this piece aside.
2. String one pearl onto one head pin and make a simple wire loop.
3. Open the wire loop same as you would a jump ring and attach it to one loop of the fancy stone setting. Close the loop.
4. Open the loop of the earring hook and attach it to the top loop of the fancy stone setting. Close the loop and you're all done.
