### Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Start by watching the video: How to Use Pinch Bail Pendant and Earring Findings. In the video you will learn how to suspend your Swarovski pearl between the two sides of the pinch bail. Do this step now.
2. Open the loop at the base of the earring hook, the same way you would jump ring, and connect it to the loop on top of the pinch bail. Close the loop back up.
