Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by cutting off 1.5 inches of gemstone chain. Be sure to keep the loops intact at the top and bottom with one dangle attached as well.
2. Open one jump ring and attach it to the starfish pendant and to one end of the gemstone chain.
3. Open one loop of the earring finding, same as you would a jump ring, and attach it to the other end of the gemstone chain.

Please note we have recommended 4 inches of gemstone chain to account for any lost links when the chain is cut.
