## Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. To see how to complete this project from start to finish, please watch our video: Quick & Easy Jewelry: Glittering Chandelier Earrings. In this video you will learn how to make simple wire loops. For this design, you will learn how to make large loops to accommodate the chandelier teardrop finding. You will see how to finish this pair of earrings by opening and closing the loops, same as you would jump rings.

By purchasing all items you will be able to make two pairs of earrings.
