SKU: XTL-5032

### Instructions:

Please remember to double these instructions to create your matched pair of earrings.

1. Place a Jet Rainbow Czech crystal drop pave bead onto a sterling silver 2", 22 gauge head pin and create a simple wire loop after the bead.
2. Clip the head off of another head pin. Create a simple wire loop in the end of the head pin. Then slide a jet rainbow Czech crystal round pave bead onto the pin and create another simple loop after the bead.
3. Open one of the loops on the round bead and attach it to the loop on the drop.
4. Open the loop on a sterling silver French wire earring hook and hang the free loop on the round bead from it; close the loop.

### Variations

Choose your favorite color of Czech crystal pave beads to personalize your pair of earrings.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
