Project uses 2 pieces

Specialized Tools

Beadsmith Jewelry Fine Round Nose Micro Pliers

SKU: XTL-5514

Xuron Sharp Flush Cutter Pliers - Wire/Soft Flex

SKU: XTL-5600

Instructions:

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin by sliding your glass bead followed by your astronaut bead, onto your ball head pin.
2. Once your beads are on, create a simple wire loop using your pliers. Snip off any excess wire using your flush cutters.
3. Then open up the loop in your earring hook (like you would a jump ring) and slide on your wire loop. Close the loop.
4. Your earring is done!
