Instructions:

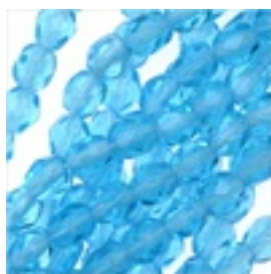

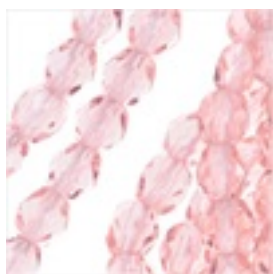

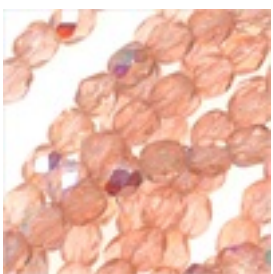

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin by stringing your beads onto the head pin in this order: 1 pink lucite bell flower, 1 hula girl clay bead and 1 peridot Czech glass bead.
2. Then make a simple wire loop using your pliers. Cut off excess wire with flush cutters.
3. Open up the loop in your earring hook (like you would a jump ring) and slide on your wire loop and close.
4. Your earring is now ready!
