Instructions:

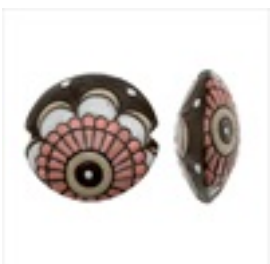

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin by stringing on your antiqued brass headpin: one jet hematite bicone, one Golem Studios clay bead, one jet bicone and one bronze bicone.
2. Once all the beads are on your headpin, create a simple wire loop using your round nose pliers. Cut off excess wire with flush cutters.
3. Open the loop on your earring hook (like you would a jump ring) and slide on your wire loop and close.
4. Your earring is now ready.

Variations
