

## High Voltage Earrings

### Project E3010

Designer: Karlin Jones

These earrings have just the right amount of edge! With a striking antiqued silver plated lightning bolt pendant stamping hanging off of a feminine bow, it's the perfect combination of sweet and sassy.

Silver Plated Fishhooks Earring Hooks (50)

SKU: FEA-3015

Project uses 2 pieces

### Recommended Tools:

[XTL-5511] Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose

### Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin by opening up the loop in your earring hook (like you would a jump ring) and slide it onto the top hole of your bow connector stamping. Close the loop back up.
2. Next open up a jump ring using your chain nose pliers and slide it onto the bottom hole of your bow connector stamping. Do not close your jump ring yet.
3. Take your lightning bolt pendant and also slide it through the same jump ring. Close the jump ring using your pliers.
4. Your earring is now ready!
