Instructions:

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin by opening up the loop on your earring hook the way you would a jump ring.
2. Slide on the loop from your Vintaj pendant onto your earring hook. Close the loop back up.
3. Next, gather your SWAROVSKI ELEMENTS rhinestone flatbacks. You will need 6 in Light Turquoise, 3 in Amethyst and 1 in Sapphire.
4. Watch the video on How to Use A Magical Pick.
5. For this next part, please refer to the photo for placement clarification.
6. Place tiny dabs of Hypo Cement glue onto your Vintaj pendant in the following patterns: 6 dabs on the center line and using your Magical Pick, pick up your six Light Turquoise flatbacks one by one and place them on top of the glue (flat side down). Add one dab of glue onto each swirl pattern and place two Amethyst flatbacks onto 3 of your dabs and one Sapphire flatback onto 1. See photo.
7. Allow your flatbacks to dry and enjoy!
