## Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Onto your gold plated ball head pin, slide 1 ruby glass faceted drop bead, 1 gold plated hexagon spacer bead, and 1 green turquoise Czech glass Druk bead.
2. Create a simple wire loop using your round nose pliers. Snip off any excess wire with your flush cutters.
3. Next, open your kidney ear wire and slide on your simple wire loop. Close your earring hook back up.
4. That's it!
