Jewelry Fine Round Nose Micro Pliers

Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin by sliding a black Czech fire polish teardrop bead onto a gunmetal head pin.
2. Next, create a simple wire loop using your round nose pliers.
3. Using your chain nose pliers, open the loop on your gunmetal earring hook (how you would a jump ring) and slide on the top loop of your crystal encrusted owl connector link and close.
4. Next, open your simple wire loop (how you would a jump ring) and slide on the bottom loop from your crystal encrusted owl connector link and close.
5. You're done!
