Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Using your chain nose pliers, open a silver plated jump ring and slide it through the hole on your Swarovski crystal Queen Baguette pendant and close.
2. Next, onto that jump ring, attach another opened jump ring and close.
3. Lastly, open the loop on your silver plated earring hook (how you would a jump ring) and slide on that second jump ring and close.
4. That's it!
