Project uses 1 piece

Recommended Tools:

[XTL-5600] Xuron Sharp Flush Cutter Pliers - Wire/Soft Flex

Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Using your flush cutters, cut a length of Czech glass cup chain that is 16 cups long.
2. Next, watch the video on How to Make the Springtime Hoop Earrings.
3. Following what you learned in the video, glue on your cup chain length onto your Nunn Design Channel earring finding with E-6000 glue. Set aside to dry.
4. Enjoy!
