Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Onto a 3" gold plated head pin, slide 1 Swarovski crystal arrow bead, 1 gold seed bead, 1 Swarovski crystal double spike bead, 1 gold seed bead and 1 Swarovski crystal arrow bead.
2. Create a wrapped wire loop with your round nose pliers and snip off any excess wire with your flush cutters.
3. Using your chain nose pliers open the loop on your gold plated earring hook (how you would a jump ring) and slide it onto the wrapped wire loop and close.
4. That's it!
