Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Using your chain nose pliers, open a gold plated jump ring and slide it through the hole on one of your painted dragonfly charms and close.
2. Open another jump ring and slide it onto that first jump ring and close.
3. Open the loop on your gold plated earring hook (how you would a jump ring), and slide it onto that second jump ring and close.
4. You're done!
