

Sand and Sea Earrings

Project E3080

Karlin Jones

Pairing the classic nautical colors of Cobalt blue and gold in a striking design, these bold earrings mimic the essence of sand and sea.

Instructions

Please note that some instructions may refer to a video. Search [beadaholique.com](http://www.beadaholique.com) for the underlined video title or return to this project's page on our website for clickable links.

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Using your chain nose pliers, open a gold plated [jump ring](#) gold plated and slide on the bottom loop from your pewter stud post earring and also the loop from your cobalt blue sea glass triangle and close.

2. Add on your ear nut and you're done!
