SKU: PND-1345

Project uses 2 pieces

Recommended Tools:

[XTL-5511] Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose

Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Using your chain nose pliers, remove the open jump ring that comes with your dreamcatcher charm. Set aside as you will not be needing it.
2. Next, open the loop on your sterling silver earring hook (how you would a jump ring) and slide it onto the top portion of your dreamcatcher charm. See photo for placement reference.
3. Close the earring hook back up and you're done!
