## Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Begin by adding a few dabs of E-6000 glue into a gold plated TierraCast Taj cord end.
2. Gently place the top portion of your red tapered sea glass bead into the glue. Hold in place until dry.
3. Using your chain nose pliers, open a gold plated jump ring and slide it onto the loop on your cord end and close.
4. Open and slide on a gold plated kidney wire earring hook onto the jump ring and close.
5. You're done!
