Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Onto a gold plated eye pin slide on a metal skull bead. Create a simple wire loop with your round nose pliers. Snip off any excess wire using your flush cutters.
2. Open a gold plated jump ring using your chain nose pliers and slide it onto the top simple loop on your skull bead. Before closing, also slide on the loop from your gold plated earring hook and close.
3. Open another jump ring and slide it onto the simple loop at the bottom of the skull bead. Before closing, also slide on a second jump ring and close. Open that second jump ring and slide on the hole from your spear pendant and close.
4. You're done!
