Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Using your chain nose pliers, open a 8mm silver plated jump ring and slide it through the hole on your Swarovski spike pendant and also the bottom hole on your black Czech crystal octagon bead. Close the jump ring.
2. Open another jump ring and slide it through the hole at the top of your black Czech glass crystal octagon bead and close. Open another jump ring and slide it onto the first jump ring and close.
3. Next, open your silver plated kidney ear wire and slide it through the second jump ring and close.
4. You're done!
