Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Take one head pin and string on: one 8mm pearl, two long 8mm flower petal bead caps (with the petals staggered), one 9mm etched daisy bead cap and one 6mm floral petal bead cap. Make a simple wire loop. (See photo for reference).
2. Take one eye pin and string on: one 6mm floral petal bead cap, one 10mm pearl, one 11.5mm acorn bead cap, one one 6mm floral petal bead cap facing up, one 9mm daisy bead cap facing up, and one 8mm pearl. Make a simple wire loop.
3. Open the simple wire loop on the head pin, same as you would a jump ring, and attach it to the bottom loop of the eye pin. Close the loop.
4. Open the loop on the other side of the eye pin and attach one leverback earring. Close the loop.
5. All done!
