[XTL-5514] Beadsmith Jewelry Fine Round Nose Micro Pliers, [XTL-5511] Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose

Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Take one black stud and place a gold headpin into one of the holes. Create a simple wire loop.
2. Take another gold headpin and repeat this previous step with the other hole in the stud.
3. Cut 8 2.5" pieces of chain. Set aside.
4. Open one wire loop slightly, and slide in four pieces of chain. Close the wire loop.
5. Repeat this previous step with the other wire loop.
6. Apply a dab of E6000 onto the earring post, and place it on the center of the back of the stud.

7. Allow it to dry for at least 30 minutes.
8. Repeat all the steps to make the second earring.
9. You're all done!
