Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. To begin, please watch our video on how to use Beadalon clever pinch bails. Following the technique shown in the video, place 1 pinch bail in the jaws of your duckbill pliers and carefully pinch it closed so the ends fit into the hole of 1 Swarovski crystal leaf pendant.
2. Using your pliers, open the loop of one earring hook the same way you would open a jump ring. Slide on the loop of the pinch bail. Close the loop of the earring hook.
3. Enjoy your earrings!
