

Shining Eyes Earrings

Project E7051

Rachel Zaimont

A small but sparkling Swarovski crystal pave eye pendant creates a light-catching talisman in these earrings, dangling from sterling silver earring hooks.

What You'll Need

Swarovski Crystal, Vertical Pave Eye Pendant 14x8.5mm, 1 Piece, Sapphire / Rhodium Plated

SKU: SWCR-6301

Project uses 2 pieces

Sterling Silver Bass Clef Ear Wire 21mm Long 20 Gauge Thick (4 Pieces)

SKU: FEA-1220

Project uses 2 pieces

Recommended Tools:

[XTL-5511] Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose

Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Using pliers, open the loop of 1 silver earring hook the same way you would open a jump ring. Slide on the loop at the top of 1 Swarovski crystal pave eye pendant. Close the loop of the earring hook.
2. Enjoy your earrings!
