

Tangelo Earrings

Project E7054

Rachel Zaimont

Bright, citrus-orange pom poms and magenta tassels lend vibrant summer whimsy to these lightweight, tactile earrings. Careful, you'll blend in with the punch bowl!

Wire/Soft Flex

Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Take 1 pink tassel off of the strand. Open and attach a jump ring through the loop of thread at the top of the tassel. Close the jump ring.
2. Take 1 gold eye pin and open the loop at the bottom the same way you would open a jump ring. Slide on the jump ring with the tassel from the previous step. Close the loop of the eye pin.
3. String 1 5mm round gold bead onto the eye pin. Then string 1 orange pom pom through the center. String another 5mm gold bead. Make a simple wire

loop, and cut off the extra wire with flush cutters.

4. Open 1 earring hook and slide on the wire loop from the previous step. Close the earring hook. Enjoy your earrings!
