## Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Take 1 sterling silver head pin and string 1 emerald green Swarovski crystal baroque bead. Using pliers, make a simple wire loop.
2. Open the wire loop you made in the previous step the same way you would open a jump ring. Slide it through the loop inside the upper corner of the sterling silver teardrop pendant. Close the wire loop.
3. Open the loop of an earring wire. Slide the top loop of the teardrop pendant onto the earring wire, from the end of the wire toward the loop. Close the loop. Enjoy your earrings!
