### Instructions:

Don't forget to double these instructions to make your matched pair of earrings.

1. Cut a 3" length of gunmetal plated round rolo chain.
2. Slide one 22k gold plated stardust sparkle round bead onto the chain from above and slide it to the middle. Open a jump ring and link it to the end chain link of the chain. Now take the other end of the chain (making sure the stardust bead stays on it) and also link it to the jump ring. Close the jump ring.
3. Open the loop at the base of your earring hook and connect it to the jump ring from above.
4. All done! Enjoy your pretty new earrings.

### Variations

Choose from a variety of chain finishes and bead colors to make these earrings.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
